Management is responsible for the preparation and presentation of the interim condensed financial information in accordance with International Accounting Standard 34 Interim Financial Reporting ("IAS 34"). Our responsibility is to express a conclusion on this interim financial information based on our review.

#### Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

#### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial information is not prepared, in all material respects, in accordance with IAS 34.

#### Other Matter

The interim financial information of the Fund for the six -month period ended June 30, 2023 and the annual financial statements for the year ended December 31, 2023 were reviewed and audited respectively by another auditor who expressed an unmodified conclusion and unmodified opinion on that information and those statements on August 10, 2023 and February 20, 2024 respectively.
